Hi Rafael,

Based on our brief conversation last night (I think this is what you were alluding to), I believe since your team has all the required documentation we would just need the following (4) Certification Letters:

1. RENEWAL of **Certification Letter** Number 113-18 to include PS20W, PS20WTS, C30XL, H30XL, J30XL, N30XL
 - I have attached Certificate of Conformity WHI19-9936204 that lists all these model for reference.
2. RENEWAL of **Certification Letter** Number 189-19 to include PS60W, PS60WTS, C80XL, H80XL, J80XL, N80XL
 - I have attached Certificate of Conformity WHI19-9936201 that lists all these models for reference.
3. RENEWAL of **Certification Letter** Number 187-19 to include PS130W, PS130WTS, C140XL, H140XL, J140XL, N140XL
 - I have attached Certificate of Conformity WHI19-9936202 that lists all these models for reference.
4. RENEWAL of **Certification Letter** Number 188-19 to include PSBF66W, PSBF66WTS, C3W80XL, H3W80XL, J3W80XL, N3W80XL
 - I have attached Certificate of Conformity WHI19-9936203 that lists all these models for reference.

This would cover items 1-9 in the January 14, 2022 3:00 PM email Subject: Enerco Group, Inc. – follow up!

Please call me back on my mobile at your earliest convenience and let me know if I'm correct.

Again, thank you for your time.

Kind Regards,
JB

Hi Rafael,

Hope everything is ok on the call you needed to take while we were talking.

Can you please call me back tomorrow morning?

I would really appreciate it.

I'm getting a lot of pressure from our Executive Team on getting Certification Letters.

Kind Regards,
Jeff
